Kevin Jeffers

Web developer and designer with a keen eye for UI and UX, plus years of experience in publication design, multimedia production and CMS management. Ready for a new and rewarding challenge!

Also, I love to think outside the box.

Some Development Projects

Quiz Yo'Self | quiz-yoself.com | GitHub | README
Front-end quiz game built with no framework and vanilla JavaScript, HTML and CSS. Led creative direction, logo, design

Taskwork | taskwork.io | GitHub | README
Full-stack productivity app built to be a simpler, more UX-friendly version of apps similar to Trello. Worked on UX, data and more

Python Racer | GitHub | README
Terminal-based race-kart simulator written in Python
